As a supplier of precision presswork, EMC shielding products and adhesive cable management products, we understand and support our customers' requirements for compliance with the WEEE, RoHS and REACH Directives.

All products supplied to our customers and our internal processes have been reviewed to identify the presence of any restricted substances. We confirm that our products and processes comply with the current WEEE, RoHS and REACH Directives listed above and conform to the restrictions and regulations.

The conditions of use, further processing, methods of handling, storage, use and disposal of the products are beyond our control; for this reason, we do not assume responsibility and disclaim any liability for any expense incurred in connection with the handling, storage, use or disposal of the product.

Yours sincerely,

Stuart Berry
Manufacturing Director
